15 years in Porn Case

ST. CHARLES COUNTY: Man gets 15 years in child porn case

Tuesday, Feb. 24 2009

A judge in St. Charles County sentenced a Ballwin man Monday to 15 years in prison for possession of child pornography.

Jeffrey E. Mild, 48, was supposed to be living at a home in Ballwin, the address he used for his sex offender registry. He had served time in federal prison for a previous child porn possession case in Oklahoma.

But St. Charles County Sheriff's Department investigators found Mild asleep inside a home he was rehabbing in the 900 block of O'Fallon Road, within a few hundred feet of Francis Howell Middle School.

An investigator testified Monday that police found more than 238,000 child porn images in the St. Charles County home.

Mild pleaded guilty in September of five counts of possession of child pornography. Circuit Judge Nancy Schneider sentenced him Monday to consecutive terms of three years in prison on each count.
